

CFC Summer School provides children with 5 weeks of fellowship, learning, adventure and worship. We are excited to begin a new summer together! Over the past 10 years, we have been fortunate enough to partner with the community, families and your children. We owe the success of our program to many of you who have continued to support us as we develop and grow our program. As we write this, we are amazed at how far we've come and look forward to what is ahead.

We welcome all of our past and new participants and invite you to register. Listed below is a brief overview of the registration process, program, curriculum, and activities for the summer. We hope that this description will give you a picture of the summer program and answer any general questions you may have.
